DEDICATION

To our Superintendent,

We have dedicated this yearbook of 1967 to you for your help and deep love for the Seniors of Leggett High School. You have helped us in many ways, and carried us through many strenuous tasks. We feel that we cannot pay you back for all you have done, but by dedicating this annual of our memories we have gone half way. May you have happiness forever Mr. Eakin, and may you carry our love with you where ever you go.

We, the Seniors of 1966 and 1967, appreciate your service of helping us through the long road to success.

Sincerely Yours,
The Senior Class

ADMINISTRATION

Superintendent's Message

Greetings:

To a fine Annual Staff, thanks for a job well done. Through your hard work and cooperative efforts you have captured for us here something of the spirit of our school and campus life. May these pages stand not only as a monument of your outstanding contribution, but may they serve also as an inspiration to those who follow.

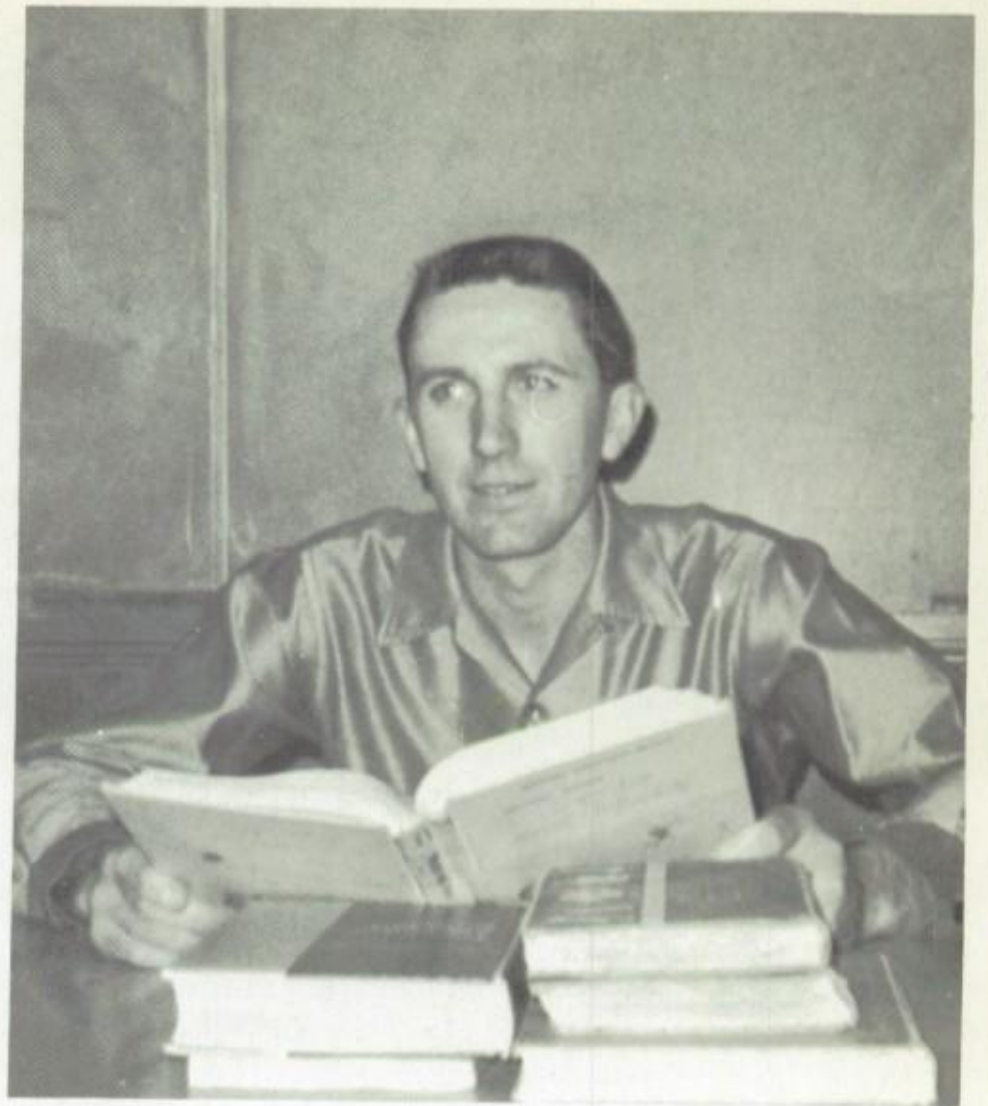

May your footprints ever point toward a better way of living. Give always of your best, and accept nothing less in return.

Superintendent
JOE E. EAKIN

To the Students of L.H.S.

As you look through this annual you will have many fond memories of your years at Leggett. Some of you have now completed your scholarship requirement and your high school days are over. Others of you have not yet finished your high school education and are still striving for graduation. To both groups, I extend my best wishes for success. The road ahead will be a challenge. To all, let me remind you that the price of success is hard work. I only hope that we at Leggett High School have taught you this vital message. If you have learned this your time spent here at Leggett has not been in vain.
